→After clicking on Save button below screen will be shown where you can **Add Fabrication Drawing**

There are two option to Add fabrication Drawing

- 1) **Click Image to Choose Approved Design Drawing From Peso Master** - Master Drawing are approved by PESO. Where you can search based on Make and Model and chassis type approved by PESO. If drawings not available in Master then you can select second option.
- 2) **Click Image to Add New Design Drawing(only if not available in PESO Master)**- Using this option you can apply for new drawing which is not available in PESO Master List. Please note if drawing available in peso master and you want apply as new then you will get message This drawing already exist in master. You can only apply as new when its not available in Peso Master List.

Note—There are certain point you need to remember

- 1) you can apply either New Drawing or Master Drawing Mixed drawing not allowed in one application.
- 2) you can add maximum 10 drawing in single application exception Bouser and Refuler.
- 3) For Bowser you can add single drawing in one application.
- 4) For Bowser you can add single drawing in one application.
- 5) you can add maximum 10 drawing for Fixed/Trailer chassis in one application.
- 6) You can add maximum 10 drawing for mobile dispenser.
